ANOTHER STEP OF PROGRESS

EL MORYA

In our editorial in the January 1960 "Bridge" magazine, we announced four steps of progress. Today, we are announcing a Fifth step, namely the removal of The Mother House of our Beloved Maha Chohan (and the Headquarters of The Bridge to Freedom Activity) carried out under His personal directions from Charlottesville, Va., to St. James, Long Island,N.Y.

The purpose to be achieved at Charlottesville, by the Hierarchy and the Heart Center of the Activity, was realized sooner than was expected, for which the whole Staff there merits the congratulations of the Hierarchy.

Several strategic points in America and in the world are being spiritually reinforced for protection of wide areas in relation to the coming changes connected with the straightening of the Axis of the Earth; and the Heart Center of The Bridge Activity has been assigned now to render on Long Island the same service they rendered so successfully in Virginia. This is our Fifth step of progress. We continue therefore, in the process of the vitalization and expansion of The Bridge to Freedom Activity.

Our new address is P. O. Box 777, St. James, Long Island, New York, U.S.A.

World Brotherhood

World Brotherhood, as sponsored by THE BRIDGE and all its subsidiary publications, does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind, but rather the conscious raising, through education and competent guidance, of the entire race—through the individual— to the highest standards of moral, ethical, economical and spiritual maturity.

LETTER FROM THE MAHA CHOHAN TO THE TRANSMISSION FLAME CLASS of June 17th, 1961

Beloved ones desiring to Precipitate World Peace:

I welcome you to the Retreat, known to many, situated in the Rocky Mountains of Wyoming, U.S.A. Here beloved Lanto, the Predecessor of the present Hierarch, Lord Confucius, shall again teach you the necessary fundamentals for precipitation of good to the people of Earth.

As you enter your petitions for presentation before the Karmic Board, I shall stand by your side to give you the full gathered momentum of My energies, which coupled with your own, will render the service in dignity and Love Divine. Your Sponsors are Gentlemen of this Focus, Ascended Beings Who accompanied Lord Michael and the First Root Manu to this Earth. They know how beautiful the Earth was, when first drawn from the consciousness of Helios and Vesta by the Planetary Silent Watcher, Immaculata, and then created by the Seven Elohim and Builders of Form.

We shall have at the Rocky Mountain Retreat a duplicate of this Original Design for the Sweet Earth and Her peoples. Look upon It and you will be filled with the fire of enthusiasm to help recreate in the Ascended Master Saint Germain's Golden Age, this IMMACULATE CONCEPT MANIFEST NOW. In learning to precipitate, in constant control of your emotional, mental, etheric and physical vehicles, you SHALL become an Open Door through which much of this perfection will be released.

My love and blessings be upon you always,

MAHA CHOHAN

THE IMPORTANCE OF SPIRITUAL FORCES ESTABLISHED AT VARIOUS POINTS ON THE EARTH'S SURFACE

by the Ascended Master Lanto

The focusing of tremendous currents of Light into the atmosphere of the physical substance of the Earth is accomplished by the projection of the Spiritual Currents from the Octaves of Light, and the anchoring of those Currents into the structure of the Earth by Voluntary Conductors among the world of men. At these points where the Light Rays are drawn and condensed, they become magnetic fields of Spiritual influence which radiate force from every Heart Center, rendering specific service in raising, transmuting and purifying the Earth and Its inhabitants.

If you were to gaze upon the map at the Rocky mountain Retreat upon which every ancient Retreat and Sanctuary is marked, you would find that the design is geometrically perfect, both as to the scale of miles between centers and occult symbolism. These great Retreats that have been established for thousands of years are not only places of training for evolving mankind, and places of storage for the wealth of the world, but living, breathing spiritual centers that act as fountains or vortices of force, to dissipate the evils of man's thinking, and raise the mass consciousness.

Wherever such a Spiritual Center has been established, or numbers of people have gathered together and drawn Spiritual Force, you will find the substance of the Earth has responded by large deposits of gold and precious jewels, for the Forces of the Elements are most grateful and responsive to this great outpouring of Spiritual Force.

Such a Retreat is the Rocky Mountain Retreat which We honor at this time, established for thousands of years as a center of Spiritual Radiance for the entire Western Hemisphere.

Under this New Activity, the foci of Light drawn by unascended beings as Forcefields on the Earth, are as accurately distributed and render the same service in a cruder manner as the Spiritual Hierarchy render in the Divine Retreats. There is no such thing as a "happenstance" group, or an accidental gathering together of the students. Each conscious conductor of Electronic Energy from the Godhead and the particular Ascended Master Whom each one represents at Inner Levels, becomes like a pipe line through which the greater Spiritual Forces are anchored in that locality. May the students become cognizant of their opportunity to BE "The Light of God that Never Fails" to all succeeding generations.

EXCERPT FROM THE ASCENDED MASTER CONFUCIUS

Long before My Own Ascension I had read of Aladdin's Lamp and the capacity to rub upon it and then to secure that which one desires. When I first found that the true Lamp of Precipitation was right here in the United States of America and that I had the opportunity to give It My Love, My gratitude knew no bounds! Being of an Oriental background, My one desire was to GIVE to the Precipitating Flame My Love, tend the Altar, bless It and just love It for Itself. I never thought to ask for that Precipitating Flame to act through Me, to make Me a

ADDRESS BY THE PLANETARY SILENT WATCHER
BELOVED IMMACULATA
(Tetons, July 1954)

I am the planetary Silent Watcher, sent forth from the great Cosmic Silent Watcher, carrying the design for the Earth within My living breathing Being, and the Divine Presence of every lifestream sent forth by Helios and Vesta.

I am that Being Who has held within My bosom and consciousness and very Life, the living, breathing Presence of every Guardian Spirit Who responded to the call of Helios and Vesta and chose to become part of the protection of the evolutions on this Earth. You are part of My body, part of the essence of My being, and your every breath, every pulsation that passes through the energy of your self-conscious being, passes through the energies of My body and My life. So truly, I know you well!

When Helios and Vesta chose to apply for the opportunity of creating a universe, They expanded out from Their Being, a great sphere of influence; the periphery of that sphere was the periphery of the Universe, within which the planets, the stars and all belonging to that Universe would abide.

In the fiat of "Let there be Light," They spun out of Their very selves that Universal Substance from which the Elohim created the planets, and from whence has come into being all form. As each planet of the system was destined to be breathed forth, from the heart of the Cosmic Silent Watcher, the Planetary Silent Watchers were sent forth. We, in turn, embodied just one planet, taking upon Ourselves

the responsibility of holding the Immaculate Concept for that planet; the rivers, the oceans, the mountains, the vast plains, and making available to the Elohim and Builders of Form that pattern which They then wove out of the universal light-body of Helios and Vesta.

The first activity of the planetary Silent Watcher is to expand the Causal Body which becomes the cradle in which the planet will rest and the seven great spheres on the bands of color of Our Causal Body into which the Guardian Spirits, the Angels and Devas come, creating the Seven Heavenly Realms of consciousness for the evolutions that will evolve on each planet.

Out of the substance and energy of the colors of Our Causal Bodies are woven the temples, the very atmosphere of these Inner Spheres. Out of the substance of That Body is woven the elements for your Earth! Out of the substance of the Causal Body of the planetary Silent Watcher is woven the garments, the Seven Vehicles which every lifestream wears. So do you see how truly ONE We are and how the energy of your inner bodies and your flesh are a part of the living essence of My very Being!

The Design and Purpose of your Being

The design and purpose for your being as individuals is to create through the primal essence of light entrusted to you, a duplication of the majestic perfection of your own Causal Body in this world of form. Your present auras, made up of the release of energy through your mental and feeling worlds, the etheric body and physical form, are not yet

the proper conductors for the powers of your Causal Body which you offered before the Karmic Board and to the Manu of the race to which you belong, as your gift of radiation in this physical appearance world.

Each of you were chosen after you had passed through the Seven Inner Spheres because you had gathered into your own Causal Body through free-will choice, certain momentums of peace, beauty, harmony, healing and many gifts and powers that could be used to externalize the divine plan to bless the evolutions upon the Earth at any given time.

You must learn to become still

It is the requirement that some means be devised by which you first may become STILL and in enough command of the energies of your own world to silence the violent pulsations in your aura, and then to consciously create through your mental body an accurate vehicle of reception to the divine ideas of your Presence.

Your emotional world must become your servant and not your master. You must allow the Presence of God within you enough control so that when you say, "Peace be Still," the energies of your emotional body become the Grail through which the gifts of the Causal Body may be conducted into the worlds of those in distress, bringing harmony, healing, illumination or peace, or whatever the requirement of the given hour may be.

The great sea of energy concentrated in the etheric body (wherein is the greatest test for the student) must be purified so that you, abiding within that Sacred Presence of God within the heart,

may no longer accept the many voices, the etheric rumblings of the centuries past; the half truths and concepts and pressures that would exalt the self. That etheric body must be purified of all such nefarious endeavors that would lead the lifestream astray from the path of humility. Then can be revivified and sent forth at your command the divine memory, with all the magnificent powers and accomplishments that you wielded as Guardian Spirits on your own Suns and Stars; the memories of your inner activities in the Seven Spheres, and the remembrance of your contact with your Master while your body sleeps at night.

Only he who has learned the way of the SILENCE, only he who has learned the mastery of the energy which flows in such magnificent opulence from the heart of the First Cause into these vehicles of yours, only he becomes the conductor of the gifts of God into the world of man! Energy is the conductor! Energy and vibration, which is LIFE, is that which carries either peace, love and perfection, or discord and inharmony into the world of form!

You, who have professed a deep devotion to God, who have come to a feeling of reverence before Life Itself, and a feeling of humility in the use of Life, have come far! You, who have started each day in the great surrender of self, and kneeling before your Source asked what purpose and design your God would choose to manifest through you each day, you are upon the Path, and sooner or later, according to your capacity to relinquish the control of your energies to the Presence of God that is waiting, shall you know your reason for being; and the magnificent light from your Presence surging through

the sea of your feeling world, transform conditions instantly BRINGING HARMONY, HEALING, MASTERY AND COMFORT to the Universe!

The use of Life, the purpose for which you were created and have been sustained for millions of years, becomes the prime quest of the individual consciousness who is sincere! The use of the gifts and talents, the use of the momentums you have gained, the use of the substance loaned to you, these all should be the quest of your conscious self. Then the intellect no longer directs but the Presence of God which has magnetized that Life and sustained It that you might have self-conscious intelligence, and give to It now the courtesy and honor of using that Life to widen the borders of the Kingdom!

The Use of Speech

How much of that Life has passed through your lips in dissipation, in gossip, in unkindness that has done harm to others? The word, the use of speech was given to each self-conscious being to create a Cup, to invoke Elemental Life to fill it with feeling and to manifest a thing of beauty that has reason to exist forever! The power of speech, the lips themselves, are only to create THAT which is in accord with the harmony and beauty of life, and many a man that is dumb today, suffers for the prolific use of life through careless and unkind words!

How many words you speak each day would you care to see condensed in your aura so that every man that looked upon you could gaze upon them? How many words that you speak would you wish to have

immortalized as a part of the heritage of your life with your name written across it? Yet this psychic and astral realm is filled with forms created by such words!

The tongue used as the lash, the tongue used as the instrument of self-righteous indignation! The tongue used to plant cores of poison that grow a harvest in another consciousness and mind that would be totally unaware of such imperfection did not the contributing factor of the energies of your own lips and tongue choose to conduct what you felt into the world of another.

YE SHALL NOT SPEAK IN THE PRESENCE OF GOD WHOSE TONGUE HAS NOT LOST THE POWER TO WOUND!

Speech, the use of the energy of life in the creation of form, will only be understood when the Law allows Us to materialize before you, words which slip so carelessly from your lips!

Every word that a Master speaks, every word that passes from Their lips becomes an Angelic Being, ensouled immediately by conscious life in winged form, adding to the great legions of Angels and elementals, clothed in garments of Light, moving everywhere through the universal. Can as much be said of man!

I am the heart of the Silence, and you who enjoy the blending of your energies in magnificent decrees, you will see manifestations when you precede

THE ASCENDED MASTERS ANSWER 100 QUESTIONS

FOR THE SPIRITUAL EDIFICATION OF WORTHY CHELAS IN 1961

KUTHUMI
World Teacher

LADY MERCEDES (Sister of Beloved Kwan Yin) SPEAKS ON THE VIOLET TRANSMUTING FLAME.

IX. WHAT IS THE VIOLET TRANSMUTING FLAME?

It is the Sacred Fire which is God's Pure Energy qualified by Divine Beings to purify all discordant energy.

X. HOW CAN UNASCENDED BEINGS AVAIL THEMSELVES OF THIS MERCIFUL BLESSING?

By the invocation of the Divine Beings Who have dedicated Themselves to this service.

XI. WHO ARE THESE DIVINE BEINGS?

Those Who serve on the Seventh Ray - Arcturus and Diana, Zadkiel and Holy Amethyst, Ascended Master Saint Germain and Portia, Kwan Yin and Myself, and the Ascended, Seraphic, Cherubic and Angelic Legions Who serve with Us.

My Beloved Sister, Kwan Yin, and All of Us have taken a voluntary vow to Helios and Vesta that We would never enter Nirvana until the Earth and all Her attendant evolutions are completely free of distress.

XII. HOW CAN THESE DIVINE BEINGS BE INVOKED?

By thinking about Us and being able to accept Our Reality and capacity to render this service; by requesting Us to give the required assistance. This will be easier of accomplishment for those who have served with Us through the ages as this strikes a respondent chord in their feelings.

XIII. WHERE IS THIS VIOLET TRANSMUTING FLAME?

It is a Fourth Dimensional Activity which is omnipresent, actively directed by the Divine Being when invoked by the individual requiring assistance for himself or others.

XIV. WHAT HAPPENS WHEN THIS VIOLET TRANSMUTING FLAME IS CALLED INTO ACTION?

It accelerates the vibratory action of the electrons which make up the atoms which compose the four lower vehicles of the individual. As this

acceleration takes place, the cells and atoms automatically throw off the effluvia, consciously or unconsciously gathered through the ages.

XV. WHERE DOES THIS IMPERFECTION GO?

Into the Sacred Fire which purifies it and returns it to the individual with the required specific God Quality.

XVI. HOW LONG DOES IT TAKE FOR THIS TRANSMUTATION?

It is dependent entirely upon the amount of the effluvia, the acceptance of faith, and the perseverance of the individual.

XVII. WHAT IS REQUIRED TO SUSTAIN THIS STATE OF PURIFICATION?

Rhythmic use of this blessed purifying agent, until perfection is manifested and sustained.

XVIII. CAN THIS BE USED FOR THOSE NOT IN EMBODIMENT?

Yes, until an individual has made the Ascension. Through the use of free will more imperfection can be created. Eternal vigilance over the creative faculties (of thought and feeling) will result in God Victorious Achievement!

XIX. WHY DO THE DIVINE BEINGS SERVE ON THE SEVENTH RAY?

The Seventh Ray is particularly active under the two thousand year cycle of the Ascended Master Saint Germain begun in 1954.

XX. WILL YOU, MY CHELAS, JOIN WITH US IN THIS GLORIOUS REDEMPTIVE PROCESS? Many of Us have come out of the Great Silence for this specific purpose. Methinks it advisable for you to join with Us in this service NOW.!

My Confrere Zeus will speak on the Eight Bodies of man in the July, 1961, Bridge!

your application by entering the Throne Room of your own being, standing before the Presence of your living God, becoming one with It, then in the center of that Being, using the breath of life charged with the consciousness of the God-self and directing those energies in that balance--manifestations will occur!

That which you receive must be given.

You have your extremes, those lifestreams who enjoy the peace of the Silence and the comfort of drawing the power and activities of the Causal Body but who do not remember the rhythm of life - that which you receive must be given because it is only in the rhythm of the drawing, the assimilation and

the expansion of the energies, that the spirit grows.

Then you have the extremes of the beloved life-streams whose energies and vital fire are interested primarily in giving, and who rush with all the powers that they have gathered in the inner bodies, into the application, forgetting first the stillness and the receiving!

It is to draw these two extremes together that We come - that you may learn that even the Master, even Myself as planetary Silent Watcher, first anchor in the Presence of God and draw the energy, then expand it in service!

Those who have drawn knowledge all through the ages, the great priesthood and individuals whose mental bodies have become a magnet and have drawn mighty momentums of knowledge and then through greed contracted that knowledge and held it within themselves, holding the peoples through fear and superstition, those have suffered because they have not manifested the rhythm of Life! Knowledge received and NOT USED had better never been invoked and drawn into the consciousness!

Those who have drawn healing powers through the ages, who have become master of the power of the Sacred Fire, and who have commercialized those healing powers for the sustaining of self and not expanded them freely as the gift of Life, they have not learned the mastery of that rhythm!

Those whose energies through the ages have been engaged in drawing substance, creating form,

accumulating great wealth and who hold that within themselves for the blessing and satisfaction of self, know not the rhythm of giving, and some time, somewhere must meet that balance!

You have used the magnetic power of Life, Itself and have invoked faith, knowledge, power or substance and Life has been given to you qualified according to that upon which your attention rested, in order to do one thing only - expand the borders of the Kingdom!

Those of you who in your Causal Body have these mighty storehouses that await externalization through your calm feeling world, those of you shall render an accounting if the energies of your world are not stilled enough that you may conduct them now, for it is the hour of crisis; it is the hour when mankind must have the assistance of conscious conductors, and YOU have been chosen to be those conductors!

Why do I live? Only that you might have being in My Causal Body; only that all of elemental life, human life and Angelic life might have a ladder of evolution through the Seven Spheres. When you live for like reason, you will know Peace!

Evolution of a Silent Watcher

Briefly, I would like to say that the evolution which ultimately results in opportunity to become a Silent Watcher, starts with the tiny elemental who is trained in the Nature Kingdom under the direction of the Beloved Mary, Holy Mother of Beloved Jesus.

In these magnificent Kingdoms tiny elementals are trained to embody a form under the supervision of Builders of Form. They gather together and the Builder of Form creates out of His Own Light Body a beautiful flower or some design which is the lesson of the day. All the little elementals whose nature it is (like your own etheric bodies) to mirror that which they look upon, immediately take on the form of the flower. This is simple, but when the Builder of Form has transferred the form of the flower to the elementals, He relinquishes the form and assumes His own form as Teacher.

Then the elemental is required to concentrate upon holding the pattern which is the lesson of the day. Many of them as soon as the Builder of Form returns into His magnificent robes, immediately turn into little Builders of Form themselves and mirror instantly any change in the Teacher.

They are patiently trained and this goes on age after age until they are able to retain the form which the Builder of Form gives them independently, and they stay an apple blossom or a lovely peach, or whatever it may be, for the duration of the class. When they become such masters, tiny little beings mind, they are ready to go forth and try to become part of Amaryllis' great court and bring beauty into the world of form. This is how the Silent Watcher's training begins.

Then they come and create in some beautiful garden under a Nature Deva a rose, pansy, a beautiful lily. They graduate up the ladder of evolution and become, perhaps, a Nature Deva of a garden. Then

they are assigned, perhaps, to a Silent Watcher of a great hospital, drawing healing currents into themselves and projecting them down in the radiation which is the blessing to the people.

They graduate into greater service and become Devas like the Beloved Columbia and those Beings Who watch over an entire nation. They may become great racial Devas watching over the beautiful races evolving, all holding the power of concentration, going up the ladder, holding the divine pattern of the highest for their nation, their race or country.

From among all of these one is chosen to work with the Beloved Maha Chohan and learn to draw those magnificent currents which govern all nature and They come to a point where They may apply for positions as the Elohim, the great Builders of Form of planets; and from the Elohim, the Silent Watchers are chosen.

It is a long time since I embodied a flower and yet I remember it well. I remember those early days when it was such a temptation to flit from thought form to thought form, and I said: "Perhaps I may help"! And that is why I am here, for We are all servants, servants of the Law, and servants of all your Life!

I give to you My Peace, My Love and I hold for you the Immaculate Concept, your own Divine God

Image. I have not relinquished that for one instant, for if I had relinquished for an instant the image and trust of your God Design, given to Me by the Beloved Helios and Vesta, so would you cease to be in this particular universe! Think how long I have held for you the pattern which I ask you now, to hold for yourselves and each other!

(Beloved Confucius, continued from page 5)

Precipitating Power for Good in My Own World. My love was so deep for just the honor of loving It and guarding It. Then Beloved Lanto taught Me that I must BE the Precipitating Flame in action in the world of form, and I completed My course in the Orient and left those few humble sayings which are merely a part of the Law which I learned at Lanto's Feet, the far greater part of that literature is yet held by Lord Himalaya.

I can say to you, beloved chelas, in loving It and adoring It and giving It your breath and your light, in turn you BECOME a Precipitating Presence of Whatever God-virtue your own "I AM" Presence and Holy Christ Flame desires to express through you.

Come often to this Retreat and stay as long as you desire, and know that you shall always be welcome not only during this particular thirty-day period but throughout the entire year, to come into Our Presence and to love Our Flame, and to love All of Those Who have helped to sustain the Precipitation Flame to this day.

YOU ARE AGAIN CALLED TO SEEK THE HOLY GRAIL OF THE UPLIFTED CONSCIOUSNESS

By El Morya, March 26th, 1961

Beloved, I come again into your presence to bring to you the blessings which are representative of the Spiritual Hierarchy, Who, you of your own free will, have chosen to serve and serve well. I bring to you the blessings of our Beloved Jesus, His Blessed Mother and the Great Beloved Ascended Master Saint Germain as well. May they be a benediction of lasting import in that consciousness which you have developed and accelerated to a point where at least you know "I AM" within this universe!

It is very comforting to know that One is accepted as being a part of a Planetary Scheme when such an One involved Himself considerably into the lifestreams of Ascended and unascended beings belonging to its evolutions. It is more comforting yet to be loved by those who through the necessity of the disciplines of the First Ray, have accepted those disciplines as opportunity and in that opportunity have expanded as you have. That Eternal Light - which is burnished with the Hands of the Gods until It shines like gold through the effluvia of human creation and brings light which is eternally sustained into the atmosphere of the Earth - That Light which is within you is truly the Essence of Deity expanded! Deity, which We can, through you, magnetize and express for the blessings of a recalcitrant race which has relied wholly upon Jesus, Whom We love for His Service and Victory and Who desires for you as We do, that you be the Light of the World!

Once, long years ago, I had a Vision and in that Vision I sought to make the great Court with men in shining armor like unto the Angelic Host of Lord Michael Himself; the ladies fair and full of grace, wearing the gentle folds of the veil similar to that of Mary (Mother of Jesus). I brought that Vision to fulfillment at a place called, and remembered by Me and those of you who were there, as Camelot!

At Camelot We drew a table, whereat should sit the Knights of Camelot. There the Beloved Ascended Master Saint Germain, as Merlin, gave the protection to those who had purity of purpose. There in a remembrance that around the Glastonbury area was buried the very Grail from whence The Last Supper was served from the Hands of Jesus, I re-designed in the minds and consciousness of My Knights and Ladies fair, a GRAIL made up of the Pure Essence of Divinity. This Grail to them became a tangible object and they forgot that the true Grail would be their own magnificent physical vehicles - Temples of the Most High Living God - and that the Grail which was to be sought and found by the persevering few, was but the symbol of a Grail of Grace.

At Our great Table there remained one seat unfilled, for it was foretold that there should come to Camelot a Lad so pure, so unconscious of the ways of man, that he should be able to sit on the Seat Perilous and in his time witness the Grail Itself, and become that Grail. One day came the Holy Spirit and in a magnificent sweep of Flame there stood in Our midst whilst We were gathered around Our Table, the Spirit of God and the presence of a simple Lad! Without armor and any of the be-deckments of the era in which We lived, he easily came and sat in the

Seat Perilous. Among those gathered there was much whispering and (unseen) jealousy. They smiled one to another thinking of their own strong armor of steel, spears, bows, arrows and they thought looking on this Galahad - "Hah, he shall not even leave Camelot!" Yet there came a day when even Lancelot fell before Galahad's own sword. There came a day when there was retrieved the Grail brought by Joseph of Arimithea and Mary to Glastonbury. That day, the service of Camelot was finished.

Now again you come to Feast! Again you are called to arms, but in your call to arms today, your armor is of Light; your Spirits are illumined and you know that which you seek and have already found is THAT GRAIL OF THE UPLIFTED CONSCIOUSNESS - that Holy Grail from Whence all who are athirst may drink and none know hunger, spiritually, emotionally, mentally, etherically or physically, for whosoever drinks of that Cup and partakes of that Virtue, as you in mercy hold it forth, shall in turn become imbued with the Spirit of the Holy Christ and not one drop shall be missing, for in giving you shall receive until that Grail, which is the expanded Christus within you, is so large that all may take of the virtues therein and ne'er once shall you miss an ounce of that Virtue.

So Arthur ruled in Camelot, and Arthur rued at Camelot, so have I held that Grail within My Consciousness and have It emblazoned upon the doors of My Home at Darjeeling, and in My Heart! So I give to you today, THE GRAIL OF CAMELOT!
